# SAVING DENMAN

# SAVING DENMAN

Since the news of the college's financial position was announced at Autumn National Council in 2015, many WI members have expressed their wishes to raise funds to support the future of Denman. As a result the NFWI Board of Trustees, inspired by the enthusiasm of members, has agreed that the Denman Committee should launch an appeal to enable members to donate.

This appeal is aimed at federations, WIs and individual members and it asks them to donate a suggested amount of £10 per person over the next two years. Although smaller or larger amounts will, of course, be welcome! The money raised will be added to the budget for ongoing maintenance of the buildings and grounds.

The fundraising initiative was brought to the Denman Committee by a WI member from Wiltshire, Christine Hounslow, who is a Denman Ambassador and Guide. Christine will take on a leading role in the appeal and will be a focal point for feedback. Denman Committee are very grateful to the members for initiating this appeal. We do hope you will support this fundraising campaign and you will spread the message in your WI and to members in your federation.

## **To make a donation:**

Simply pop a cheque made payable to 'Denman' in the post to: Saving Denman Appeal, Finance Office, Denman, Marcham, Oxfordshire, OX13 6NW.
