

SCIENCE LUNCH

Are you interested in how your food is kept unadulterated? Then come along to the Science Lunch where the Public Analyst will show you how she works. You will have the opportunity to test foodstuffs' DNA for yourselves. Talks will be led by Doctors who work in the Antarctic and Africa, who will show you how global warming is already affecting the people there.

19 September 2017

10.00am – 4.00pm

Lyndhurst Community Centre

£22.50 per person – price to include a buffet lunch
