

HCFWI – Then, Now and the Future

9 – 30 June 2018

Exhibition at the Winchester Discovery Centre

To help us provide a really interesting exhibition for all to see, we would like to invite you to show us your treasures from your WI.

We are looking for old photos, documents, banners and artefacts.

Date: Friday 27 April 2018
Time: 10.00am
Venue: WI House

Could you join us on Friday 27 April 2018 at WI House, Eastleigh to share these items and consider some for inclusion in the exhibition?

We will be in WI House from 10.00am until 1.00pm and will look forward to seeing what you bring. We will try to include as much as possible, but the final decision is ours.

All items that you leave with us will be very carefully looked after and ready for collection in July 2018.

Coffee and tea will be available.

Kind regards.
