

WIFEST SUNDAY 13 MAY 2018

We are looking forward to celebrating the Centenary of the Hampshire WI on Sunday 13th May in Eastleigh. We have over 50 WIs hosting stalls, which is great. We do, however, need your help.

If you are able to give a couple of hours to help in the Tea Tent, this could include serving, collecting from tables or washing up please complete below and return to WI House by 31 March.

If you cannot help but are willing to bake a cake, please also let us know. It should be a fantastic day, so make sure you are part of it.
