Dear Members

We are getting close to the Exhibition in the Winchester Discovery Centre in June.

Without your help, this will be difficult to achieve what we want! We would like to interest the public, members and families alike and want to produce a balance of Then, Now and the Future.

The best part will be having members there to enthuse about their WI, what the WI stands for and also talk about the exhibits too.

The plan is for 3 sessions for stewards each day with two stewards at each session, plus a member of staff from the Hampshire Cultural Trust. The exhibition is open from 9-7pm Monday - Friday; 9-5pm on Saturdays and 11-3pm on Sundays. Stewarding will be from 9am-12.30pm and 1pm until 4.30pm and 4.30 until 7pm.

There is no selling of souvenirs but lots of selling of the WI to be done, by chat and friendliness.

There is a coffee shop in the building and the park and ride buses stop outside too.

Could you ask your members to consider this and put their names below with dates to avoid as well.

Many thanks in advance,
