

Christmas Craft Along: Lined Stocking and Stocking Bunting

Get prepared for Christmas and join us for an interactive online Christmas craft along. Claire Salmon, of Cherry Orchard Crafts and a Denman at Home tutor, will lead the session in which you learn how to make your own lined stockings, and also mini stocking bunting using plain and patterned fabrics, and a range of decorative techniques such as printing and applique. Taking place at the beginning of November this gives you plenty of time to finish your items or make more, if you're organised!

Full instructions will be provided, including a list of supplies and preparations required beforehand. Claire will be able to answer all questions and assist with queries as we sew together in HCFWI's first Christmas Craft Along.

Claire will teach the session for 1 hour, and then we will remain open for social chat and sew for the final 30 minutes. We look forward to seeing you for some Christmas crafting!
