

Macaron Masterclass

Debbie Towlson

Impress your friends and family with your baking skills when you present them with some fabulous macarons made by your own fair hand. These delicate meringue cookies, with a crunchy exterior and weightless interior, are notoriously tricky to make and ridiculously expensive to buy. Fear not though as Debbie will teach you how to make the perfect macarons every time, with delicious fillings and decorated to perfection.

Life in the pandemic means that this demonstration will be on zoom for a 7.30pm start. There will plenty of opportunities to ask questions and you will receive a recipe sheet and fact guide after the demonstration, by email.

We look forward to seeing you and would love to see photos of your marvellous macarons.
