

## New Speakers Showcase

The Speaker Selection team would like to invite you to see two new Speakers. Each Speaker will present on Zoom for approximately 30 mins and have questions after.

### ☆ Showcasing Alexandra Gillies

#### Tell the world about it - But How?

The talk tells the story of the creation of Alexandra's Africa - a sustainable Safari & Retreat Tour Operating company - from inspiration through to operation!

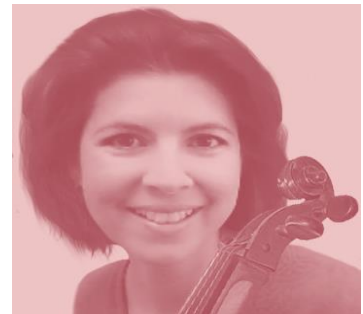

Alexandra (a Hampshire based British Female Entrepreneur) who founded Alexandra's Africa will talk us through her journey, her growing understanding of what it means to be a sustainable business, and how this has to permeate every aspect of the business right through to marketing!

### ☆ Showcasing Milena Kavrakova

#### Learning to play the cello in a communist country

You will find some of her childhood memories surprising, others you will be able to relate to and will bring back memories from your own life.
