

## The 30 Stem Challenge

Join us on a fun challenge this summer and make an arrangement of flowers containing 30 stems from your garden. Every garden has a wealth of flowers and foliage to enjoy but sometimes its nice to bring it indoors. Have a look at this video by Georgie Newbery of Common Farm Flowers in Somerset which explains the concept and what you will need , then get stuck in

Click on this link to watch the video [30 Stem Challenge](#)

Please submit a photo of your arrangement & include your name and WI to [events@Hampshirewi.org.uk](mailto:events@Hampshirewi.org.uk) by Friday 20th August 2021

We will compile a presentation of the photos
