

STOP PRESS - NEW FOREST SHOW - 2022 - IT'S ON !!!!!

Dear WI Members,

The New Forest Show WI Tent Committee and I are thrilled to confirm that the New Forest Show WILL be taking place next year. It has been a difficult time for everyone over the past 20 months, not knowing what will be happening ... but now there is some light at the end of the tunnel and something to look forward to.

We are planning to have a Coffee Morning in February and hope that you will be able to join us - details to be sent out later. If your WI has not participated before and you would like a copy of the schedule, please email Lynne Ball:

[lynneball@gmail.com](mailto:lynneball@gmail.com)

If you would like more details about our Marquee and what goes on, please email me:

[pauline\\_slade@icloud.com](mailto:pauline_slade@icloud.com)

We are keeping the same theme and categories of classes that we had prepared for 2020 - 'Step Back in Time: 1920 - 2022'. If you were inspired and had started making something, please pick this up again in readiness for next July - it is only eight months away!!

We hope this finds you well and very much look forward to seeing you, your crafts and produce in the Tent next year.

Kind regards

Pauline Slade (Chairman) and the Committee of the New Forest Show WI Tent
