

Saturday 15th January - Zoom/Hybrid Event with Claire Salmon

What can I do with an old pair of jeans?

Upcycle them of course!

On Saturday 15th January the very talented Denman at Home tutor, Claire Salmon will be zooming in to show you several items that can be made from an old pair of jeans. These will include a draught excluder, bottle bag, door stop, utility apron and a hanging organiser. There will be something for everyone to make regardless of sewing ability.

The session will start at 10am, Claire will demonstrate how to make the above items and answer any questions that you may have. There will then be an opportunity for you to make some or all of the above items before Claire re-joins us for a short session to see what people have made and troubleshoot any queries. There will be **two ways** to participate in this event:

Join us in WI House 10am - 2pm - Cost: £15 per person

We will watch Claire's presentation and you will then be able to have a go at making some of the items. We will provide tea and coffee but please bring your own cup/mug and a packed lunch. You may also bring your sewing machine if you wish.

Zoom in from home 10am -11am and 1.30pm – 2pm - Cost £5 per person

Watch Claire from the comfort of your own home. You will be able to watch both of Claire's presentations, there will be an opportunity to ask questions and show what you make.
